## Experience

**Medical Coding Specialist and Office Assistant**  
**Sound Family Medicine**

2017 – 2022  
Puyallup, WA

*Involved in various departments regarding data entry, look up, and documentation audits both via electronic systems and physical files. Also involved in providing quality customer service by maintaining composure, multi-tasking, and providing clear communication.*

Key Accomplishments:

- *Recognized as a consistent performer and assisted in creating a new more efficient workflow in the department.*
- *Tasked with testing out a new EMR system due to recognized observation skills regarding workflows and system navigation and usage.*
- *Responsible for touching and reviewing data for 15-20 medical providers in an average range of \$25,00- \$75,000 worth of data daily.*

## **Education**

***Boot Camp Certificate:*** *University of Washington, Bellevue, WA*

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, jQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and React.js.

***Associate of Applied Science: Medical Billing and Coding:*** *Pierce College, Puyallup, WA*

A technical program focused on providing skills in the medical administration field of billing and coding.
